Bingaman and Murkowski Release CES White Paper

March 21, 2011

Today, Chairman Bingaman and Ranking Member Murkowski released a white paper soliciting comment broadly on key questions and potential design elements of a Clean Energy Standard (CES).

The full text of the white paper, along with instructions and forms for submitting responses, can be found [here](#) on the Energy Committee website. All responses should be submitted in accordance with the instructions by 5 p.m. on Monday, April 11, 2011.
